Montalto Pavese

FILAGN LONG 2021 RIESLING IGT Provincia di Pavia

Montalto Pavese together with the communes of Calvignano and Oliva Gessi represent one of the most vocated areas for the production of Riesling among the Oltrepò. These vines are in fact able to express themselves at their best thanks to the combination of several soil and climatic factors. The soil is mainly clay, with Limey veins and chalk outcrops. The climate is characterized by good thermal excursions and from a discrete rainfall. Montalto is situated at about 400 m. a.s.l.

TPOLOGY
still white wine

GRAPE VARIETY
100% Riesling Italic

VINIFICATION
The grapes which contribute to the production of this wine come from a 70-year-old vineyard. The perfect position, the soil typology, the pruning method and the careful agronomic practices mean that the quality is very high and that during the best vintages an Italic Riesling with unique characteristics is obtained. After a careful selection during a manual harvest, the grapes immediately undergo a soft pressing. The must obtained is left to rest and subsequently placed to ferment in temperature-controlled stainless steel vats where the wine stays to mature until it is ready for bottling

ORGANOLEPTIC CHARACTERISTICS:
Pale straw yellow with greenish hues. An intense bouquet, crisp, mainly with fruit and floral nuances, especially exotic fruit and apples. Smooth and fragrant to the mouth, with a good persistence.

GRADAZIONE ALCOLICA
15% vol

FOOD PAIRING
Well matched with appetizers, all starters also vegetable based, all kinds of fish dishes, excellent with white meats and goat cheeses well matched with mature cheeses.

SERVING TEMPERATURE
10°C. Uncork just before serving

Contains sulfites
